Summer Seminar—New York

## New York Stock Exchange

18 Broad Street, New York, NY

Wall street is restricted to pedestrian traffic. Please, use the above address for ride share apps. It will drop you on the back side of the exchange. Walk around to the front and you will see a tent, where you will check in and be directed to the entrance to the exchange.

### General information:

- All visitors should dress appropriately for a business environment
- Each guest must present a valid government-issued photo ID (such as a driver's license or passport).
- Each guest will pass through metal detector security screening.
- All bags, parcels and luggage are subject to CT Scanning. Objects such as pocketknives, etc. may be confiscated by Security for the duration of the visit.

### FOR GUESTS ACCESSING THE TRADING FLOOR

- Please ensure that all guests always wear their badges in a visible location.
- No phone calls or texting permitted from any device while on the Trading Floor.
- Picture taking is permissible; however, flash photography and selfie sticks are not allowed.
- Video recording is permissible from a smartphone device (only). Live streaming video (e.g., Periscope, Facebook Live Etc.) and 360 video are not allowed.
- Guests are not permitted to have food or beverages on the Trading Floor.
